

Educating students since 1986

Class Size

Our class sizes average 12 to 20 students. Our classrooms are designed for individualized attention for each student.

SAT Scores

Our students, year after year, score 1-4 years above National/ Public Norm on their SAT tests

Our Christian School

Antelope Christian Academy offers quality education for grades K-8 students. We encourage growth and learning in a God-centered environment. Growth occurs through relationships, and ACA desires that each student have a caring and trusting relationship with peers, teachers, and parents, and more importantly, a personal and growing relationship with Jesus Christ.

Developing Tomorrows Leaders Today

Our Teachers

Our teachers are highly qualified teachers with years of experience and college degrees. They have a passion for teaching, professional growth and an understanding of Christian education. Our teachers desire to teach in a Christian school where they can integrate learning and life.
